## OUR ORGANIZATION

Rely on a professional Local DMC able to support you in planning and achieving a successful event. We are a **Business Network** organized to give you a single point of reference with a **Local Tour Operator** and the **Best Hotels** of the **Golfo dei Poeti**, for create a really successful corporate event, we join together all the single elements to have the best performance. We select, book and coordinate all the necessary tailor-made services for a completely customized event.

Every operation is **carefully planned** to determine a precise forecast of the required staff and competences; work-in-progress is constantly monitored; at the end of every event a de-briefing session is held to check that the targets have been reached and to gain suggestions for the future. Expectations and needs of different markets are precisely focused and the strategies for satisfying them are defined in advance. **With us your project becomes an Event.**

We follow the complete organization of corporate delegation trips to international fairs and congresses in Golfo dei Poeti, from accommodation to entrance and catalogues, from local transportation to dinners and leisure moments. Selection of conference venues for meetings, set-up, catering and technological services coordination. **Concept and execution tailor made team buildings inspired by Italian excellences in culture, fashion, sport, nature, food & wine.**

**Distinctive** and **original solutions** for corporate dinners, events, and presentations. Selection of the best ancient and modern locations, among museums, historical buildings, castles, design and modern venues. Set-up, catering and music entertainment customized to fit your event's concept.
